NEW OFFICERS ELECTED

The vote of the general membership is in and the following persons were elected for the 1995 term of office:

Harry Steineck--President
 Arlan Shank----Vice Pres.
 Nickie Wengert-Rec. Sec'y
 Marge Fletcher- Corr. Sec'y
 Lori Brown---Treasurer
 And Sandy Bucheit will join Jack, Kent, and Bev Smith along with Gene Conrad and Joanne Moody as trustees.

THE "HILL GANG" GOLF OUTING

This past summer was one of the most well-attended golf outings we have had since the tradition started. Somewhere between 90 and 100 people attended the dinner, most of whom played golf. The 1995 event will be Friday, Aug. 11, at Skyland Pines. Watch for notices in the newsletter or the Summer issue of the Journal. If you want to get a head-start call Kent Smith at 499-0835 for details.

Get your instruments out, dust them off, polish them up and get ready to play. For those of you who don't play, urge your friends to join our band. Let's get everyone out to the Fieldhouse to cheer our Alumni Basketball Team and have a great time like we used to at the Canton All City Nights.

With any luck, this will just be a start, and our Alumni Band can either ride or perhaps even march next year at Hall of Fame time. The Louisville Constitution Committee is already asking Alumni Bands to perform in their September parade. Call 499-0313 or 492-4596 for more information, to sign up or to help find more band members.

COMING REAL SOON !!

ANNUAL "POLAR" BEAR PARTY

Join us again at the Meyer's Lake Elks Club for our cold weather party. It starts at 6:00 P.M. on Saturday Jan. the 14th, 1995. \$15.00 bucks a person gets you an open bar and some fabulous food. Of COURSE it will include the requisite CAKE. A fund raising auction will follow. Call any committee member for tickets. WE MUST HAVE RESERVATIONS SO WE CAN ORDER THE FOOD.

PLANNING A REUNION?

Give us dates and locations as soon as possible, and a contact person. We will post a notice in either the Journal or the newsletter. Don't forget that we now have a computer base of information on the addresses of most of the alumni.

SARASOTA FLORIDA REUNION SET

Thursday, March 2, 1995, an ALL-CLASS REUNION will be held at the Chez-Med Restaurant on Midnight Pass Road in Sarasota, Florida. In 1989, Herb Fisher, and MaryEllen and Chuck Steineck put their heads and ideas together and realized there were enough LHS Grads in or near Florida to hold a reunion. On the first Thursday of March that year, over 60 Lehmanites and spouses enjoyed a great meal and then continued the fun and conversation through the weekend. In the next three years, it grew to over 90 people, with grads from the other Canton schools also attending. In 1994, the name was changed to CANTON HIGH SCHOOLS REUNION and souvenir placemats were presented featuring one school in each corner of the mat.

In the past, Chuck ('39) and Mary Ellen ('40) Steineck have done most of the planning and work with help from many of their classmates. But in the past year, Mary Ellen broke her right arm and Chuck is to have knee replacement around the first of the year.

This means all who have helped in the past will be asked to give their assistance again to make the 1995 reunion another weekend to remember and treasure.

The menu on March 2nd will feature your choice of prime rib, fish or chicken and the price of \$ 28.00 includes tax, tip and favors. Anyone interested in attending, may contact Jean and Harry Steineck at 836 - 47th St. NW Canton, Ohio 44709, phone (216) 499-0313 or requests for information may be sent to the Lehman High School Alumni Association, P.O. Box 8175, Canton, Ohio 44711. A map and directions will be provided.

There are more and more Canton people living in the South, and attending the Sarasota Reunion can provide an opportunity to renew old acquaintances, make new ones and reminisce about the "old" days at LHS. The Sarasota Reunion is only two months away, so get your letters in the mail! Reservations and your checks must be received the week of February 12 - 18, 1995. Looking forward to hearing from you !!!

SCHOLARSHIP FUND APPROACHES ITS GOAL

The Association hopes to give the first scholarship in June of 1995. It has been determined that former LHS students returning to school or LHS descendants are all eligible to make application.

We have recently received memorial donations in memory of Lee Henderson, Christine Feezel Sullivan, and Linda Weigand Cobel.

Dress code earns praise for liberalism

Today's styles belong to today's youths and we are lucky that our faculty is not living in the past as far as dress codes are concerned. As a matter of fact, the student-faculty committee on dress policy has proven itself to be very liberal in what is to be permitted.

Those who criticize the whole deal, from the actual regulations to the student-planned assemblies, are blind to what the alternatives could be. Many schools seek conformity as a means of discouraging unusual manner of dress, and so uniforms become the order of the day. Everything is regulated, from the style of shoe and the length of the skirt for girls to dress pants, shirts and ties for the boys.

In contrast to this situation, keep

in mind our own faculty's revised code. There's just no comparison between the two systems. And which would you prefer, one which is strictly set up and enforced or our own fair and practical one?

The main stipulation is that, "Students are expected to dress in a neat manner for all classes and school functions." Culottes which have the appearance of looking like a shirt are "in". Skirt lengths are a matter of taste, but the extreme or ridiculous will be considered undesirable. Girls may not wear jeans or walking shorts.

Boys may wear wash pants or dress pants which are neat, clean and in good repair. Lettered tee shirts and white tee shirts of the undershirt kind are inappropriate

as are "unusual or extreme hair arrangements." Boys are to wear socks at all times. "Boys are expected to be clean shaven, neat and presentable and are not to wear numbered shirts, ragged or reversed sweatshirts, or dress shirts worn outside the trousers."

Unfair? Silly? An infringement on personal rights? Hardly!

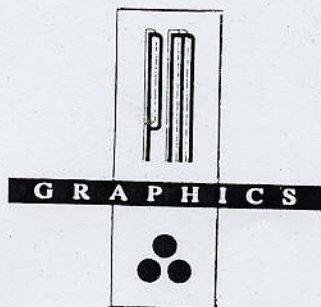

The student-faculty stressed the point that manner of dress is a personal responsibility, one which reflects upon your school, your family and yourself. In our age of individualism and non-conformity, more freedoms mean more responsibilities. Are you up to the task? Can you prove yourselves to be the young adults the faculty believes you are?

WENGER ENDS TERM

President Mary K. Wenger
Class of 1939

My term of office as first president of the Canton Lehman High School Alumni

Association has been very rewarding. There have been exciting times, much fun and long hours of hard work. This cannot be done alone; it has been so gratifying to get the cooperation of all the association members who have become involved.

I fully intend to do what I can to help our Lehman Alumni Association as we proceed on the upswing. The heartfelt emotions of our Lehman past should take us into a binding future for us all.

The people at the helm need your full support. Let's continue working together!

ALUMNI SUMMER
DANCE

A "job well done" was heard by many for Bev and Ed Stevenson and Jean and Harry Steineck who took over the challenge of the first Alumni Dance in July. Seventy-two people showed up to enjoy the excellent dinner provided by Mr. Mike's Catering and to dance to the music of Dom Clivi's Orchestra. A great time was had by all!

CRUISE PLANNED
FOR APRIL 1996

Have you always wanted to go on a cruise? Have you been on one and would like to go again? The Class of '48 is planning to go to the Caribbean in April of 1996! It will be a 7 day, 6 night trip after Easter week and YOU are invited to go along. As you know, the more the merrier and it is also less expensive! You don't have to make a definite commitment, but if you are interested, they would like to have your name and address so that they can send you the information. All of the details have not been finalized as yet. You would not have to make a final decision until early 1996, but they would like to hear from any Polar Bears soon. You can't say, "I don't know anyone", because friends are also welcome. Lehmanites from the classes of '44, '46, '48, '50 and '51 have already signed up.

VOLUNTEERS
NEEDED FOR FAIR

Thirty-three different volunteers took care of the booth at the Stark County Fair. The booth still needs more volunteers for next year. For those who have never worked at the fair, give it a try! You will have more fun than you might imagine. Please contact Joanne Moody at 875-8477 if interested.

iation off the ground is nothing short of outstanding. She took a handful of people of various ages and interests (from classes of 1938 to 1975) and melded them into a viable alumni association. I hope I will prove adequate to continue in her shadow in the following year.

The Association goal of providing scholarships for alumni and/or their descendants will be first on my list. Our Alumni band is also a goal I hope we can attain in time for Hall of Fame Week, regardless of whether we march or ride on a vehicle, as I have seen some bands do.

Above all, I urge and hope to see more of our members become more active in our association. I don't expect EVERYONE to do EVERYTHING, but, if a person or a couple will just commit to help on ONE activity or event, it will spread the work around and no one will get "burned out". We need people to help at the county fair. We need band members, major-ettes, cheerleaders, phone callers, ticket sellers, party planners, and more, too numerous to itemize here.

So come on LEHMANITES and let's get behind our association and make it one of the city's finest.

BACK THEN

IN THIS MONTH:

In 1953, Promoted by Booster Club member Karl Yant, a permanent antenna was erected so that students could watch the inaugural ceremonies of President Dwight D. Eisenhower.

In 1954 the Future Teachers of America chapter began teaching assignments in the various city schools. In the morning, Robin Bowman, Lois Butcher, Marianne Shengle, Chris Simitacoles, Charlotte Morrow and Roberta Nock took to the classrooms. Later that afternoon Jan Smith, Mary Ann Olson, Carol Luther, Marilyn Kistler, Martha Anderson, Louise Young, Jane Oyster, Jane Sue, Diane Krug, Esther Theiss, Jo Newton, Delores Meola, Ellen Schuman, and Coleen Kerry took over.

Also in 1954, Jim Robinson and Jack Nichols were selected as coach and fullback respectively for the Ohio All-Star game to be played that August in Springfield Ohio

LOOKING FOR ANNUALS

The Board has decided that we should obtain and keep two sets of yearbooks for every year that Lehman was in existence. We still need 1960,1963,1972,1973, and 1974. If you have any you might wish to donate, it would certainly be appreciated.

some more active members to lend a hand.

Attend a meeting or drop a note to Harry Steineck offering to help with any project that appeals to you. Many hands make a light load when it comes to mailings or preparing for an event. Harry could even use a hand with the signs you see around the Canton area advertising the forthcoming events. If you have a good sign location in your yard, offer it to him. That way if the wind knocks down the sign, or the event is over, the sign can be quickly put up or taken down.

Providing scholarships for descendants of Lehman graduates is the ultimate goal of the group while having fun in the process. One thing about an alumni association is that you get to renew those memories with neighborhood friends and classmates of different ages or younger or older siblings.

For those of you who did not graduate from Lehman for one reason or another, don't let that stop you from becoming a member.

HAPPY 50TH BIRTHDAY CLASS OF 1962

The Class of 1962 turned 50 this year - and celebrated with a 32nd Class Reunion. The Happy 50th Birthday Reunion, held Saturday, July 30th at Prestwick Country Club, included a rousing group sing of "Happy Birthday" and a cake featuring a polar bear sporting glasses and a cane!

Classmates gathered from near and far. They agreed that fifty never looked so good as they reminisced with all the hits from 1958 to 1962 playing in the background.

Reunion Committee Members Mary Baum Asper, Steve Spring, Marilyn Cavitt Bergmeyer, Bonnie Fisher Jones and Jeri Art Meltzer planned the unique party and also organized a golf outing Saturday afternoon and a picnic Sunday afternoon to complete the festivities. In addition to the traditional Polaris class update, Marilyn Cavitt Bergmeyer compiled a six page Lehman Journal with articles, pictures and ads reprinted from Journals of 1961 and 1962.

Never a class to hold with tradition, the Class of 1962 has held an 11th, 21st, and 25th (some traditions are not meant to be broken) reunion since graduation. What's in their future? If history repeats itself, it will probably be a 39th or 41st or maybe a 42nd class reunion/60th birthday party combo. But for now, the class of 1962 has pleasant memories of a very special 50th Birthday Reunion, shared with old and seldom - seen friends.

No velvet paintings of Elvis, please.

The positive response from you about our initial publication of the Lehman Journal has been very gratifying indeed, and you will notice we have gone from a four page paper to a six page. I would hope that the flow of information back and forth among us will sustain growth of the Journal.

Your participation in this information exchange is vital to the paper. What you think is mundane may be of great interest to someone else, and of course someone in the readership may have an answer to a question you have. As I said in the last issue, please keep us updated with news about yourself, your family, or other grads with whom you have contact. This can be accomplished on a postcard sent to our postal address, or by a phone call to any board member. The names of the new board members are on the front page of this issue. And, speaking of questions,

LEHMAN SPRINTER STILL RUNNING

Jack Greenwald, Class of 45, runs the sprint events in local and national competition. Running in 10 to 15 meets per year, Jack's season begins with an indoor meet at Baldwin Wallace College on the first Sunday in January. The National Masters Indoor Meet will be held the last weekend in February at Reno, Nevada. The summer nationals will be at Michigan University. The World Association of Veteran Athletes host this year will be Buffalo, New York. Jack has also qualified for the USNSO (Senior Olympics) in 1995. The Senior Olympics are held every two years and offer a multitude of events not present at regular track and field meets. This year it is San Antonio's turn to be visited by over 7000 competitors who must first qualify at the state level. The city of Medina and Discount Drug Mart hold an excellent all comers meet. Several Universities are the site of regional competitions - Marshall University at Huntington, West Virginia and North Carolina University at Raleigh, North Carolina. There are also meets in Cleveland, Columbus, Cincinnati and in neighboring states.

the one we seem to get most frequently is...."What ever happened to the statues that overlooked the practice field?"

Well, the statues consisted of a discus thrower at the West end of the bleachers, and a large Grecian urn at the East end. In the summer of 1953 it was determined that both of them were badly cracked, and because of their great weight, it was felt that they posed a risk of serious injury to anyone around them. (People were in fact around them as evidenced by the graffiti.) Mr Watts felt that they should be removed and at first tried to donate them to the city park system, but the risk of injury would still have remained, so a crane was then hired at a cost of \$75.00 to haul them away. Although someone could have retrieved them for a lawn decoration, it is more likely that they were reduced to rubble, since they have not appeared in 41 years.

A member of the Cleveland based Over the Hill Track Club, whose membership includes champions in all age groups, Jack holds the record and the gold medal for the 400M Ohio Games Meet for men aged 60 to 69.

Nationally, he placed 4th in the 400M and 100M and took the bronze in the 200M at this year's outdoor nationals which were held in Eugene, Oregon.

Making a few simple life style adjustments when he was 56, has led to his becoming a national competitor. The adjustments included an easy exercise program each morning with eight hours of running or weights per week and careful monitoring of the diet. "A little work and self-discipline will lead to a much better physical, mental and emotional state", is Jack's answer to "Why do you run?"

DEATH TAKES A FAVORITE TEACHER Margaret Heinrichs Claimed

Margaret Marie Heinrichs, age 98, died June 26th. in the Canton Christian home in Canton, Ohio.

She had been born Oct 6th., 1895 in Ramapatnam, South India to Jacob and Lydia Heinrichs. She was a graduate of Doane Academy in 1914 and Dennison University in 1918, and was a member of Kappa Alpha Theta. In 1921 she was awarded the Master of Science Degree from the University of Chicago. From 1923 to 1936 she taught chemistry at McKinley High School, then moved to our Lehman High School where she taught until 1961. She was then house mother at Pi-Phi House at Dennison from 1961 to 1964.

She is preceded in death by a sister and three brothers, and is survived by two nieces and two nephews. A graveside service was held in the Middlebury Cemetery, Middlebury, Vt.

She will be fondly remembered as a teacher who went the extra mile to explain the complicated facets of chemistry and who often played "Cupid" to make certain everyone had a date for school functions.

WHY AN ALUMNI ASSOCIATION ?

By Joanne Reynolds Moody

Is there a purpose for an alumni association other than gathering to replay old sports action and share memories of younger days?

The answer is definitely a YES.

Dr. Judith T. Witmer, the founder of an alumni association in Pennsylvania believes that the "High School experience determines who you are and who you will become. She feels every student who has graduated from a high school has memories and loyalty to that school. That is how over 700 former Lehman students feel as of this date. They have shown their support by join-
