1996 SCHOLARSHIPS AWARDED

Scholarships for 1996 were awarded Wednesday, July 10, 1996. Recipients were honored by the Alumni Association at a dinner and presentation conducted at the Canton Garden Center.

Scholarship recipients were chosen from applications received by the Scholarship Committee. Applications and records were reviewed to ensure that they met the requirements set forth in the by-laws of the association. Each applicant was assigned a number, with names known only to an Association member not affiliated with the selection of the recipients. This was done to eliminate any bias during the selection process. This year's Scholarship Committee consisted of Tim Elder (Chairman), Jack Smith, and Claudia Burgess Selby.

Nine students were selected to receive a scholarship of \$500 each toward their tuition and fees. A total of \$4,500 in scholarships were awarded.

The Lehman Alumni Association would like to congratulate the following recipients:

THE PRESIDENT'S CORNER

It is hard to believe that half of my elected term is over as I write this message. The Alumni Association has grown to 890 members as this is written, and, hopefully, at least ten new memberships will be received before the end of July.

The nine scholarships we presented on the 10th of July amounted to \$4,500.00, a truly remarkable accomplishment for a group that is only entering its fourth year. The All-City Basket ball Game proceeds were a great contribution to enabling us to make these awards. We were a little disappointed that more graduates or their descendants did not apply and it is hoped that next year we will have more applications.

Members of the Association walked in the H.O.F Kick-Off Parade for the third year in a row. Keeping visible and expanding our activities helps us gain new members. Our booth at the Stark County Fair will be doubled in size this year and our collection of memorabilia has also expanded. We'll be under the grandstand, so stop by and say hello. Better yet.....offer to help.

I look forward to seeing you at the Annual Picnic at Hoover Park (See front page). Why not join me and spend an evening of relaxation with former classmates and friends. After all, there are no strangers in our association, only friends we have not yet met.

.....Joanne

CONGRATULATIONS

Attorney Richard S. Milligan will serve as the 1996-97 president of the 650 member Stark County Bar Association. A bar member since 1980, Milligan has served on many committees, including the executive committee, and served as chairman of both the grievance and continuing legal education committees. Richard is in his third year as a commissioner on the Board of Commissioners of Grievances and Discipline of the Supreme Court of Ohio, which disciplines Ohio's lawyers and judges. The lifetime resident of Canton is a volunteer in the community and is a past president of the Players Guild of Canton. He is a 1972 graduate of Lehman, and a graduate of Kenyon College and the University of Akron School of Law.

SARASOTA WAS GREAT !!

March 14th was Stark County Night at Chez-Med Restaurant in Sarasota, Florida. In addition to several Lehman Alumni who always attend the reunion, McKinley, Lincoln, Timken, and Central Catholic, along with Louisville, and Glen-Oak were represented. Fifty were in attendance for hors d'oeuvres and dinner, and some others dropped in for conversation and partying. Color placemats designed by 1939 graduate Don Ink, along with a polar bear, bulldog, lion, and Trojan looking at a 6th anniversary cake, souvenir pens, and pencils were given each alumnus.

At this time we are waiting to hear about a date for a reunion at about the same time next year, 1997. We may have to move to the last part of February in an effort to accommodate more of the people who have been attending for years. Some have said March corresponds with their return to the north. We will keep you informed and let you know as soon as anything is confirmed.

THE PUZZLE PLACE

1. What LHS Staff Member managed the Meyers Lake Swim Club during the summers?
- 2.. What were the three Drive-Inns on Cleveland Ave. N. in the 50's ?
3. We know where the statues went that overlooked the football field at LHS. BUT.....do you know where they originally came from?

1. J.R. Robinson took over management and activities in about 1955 until they closed.

2. They were the King Size, the Avalon, also known as the "A", and the Spot-less Spot, which later became Manners. At 25th & Fulton was the Stadium Drive-Inn, and at W Tusc & Linwood was one called Eckard's, which featured earhops on roller-skates.

3. The statues (actually there was one, the other was a large urn) came from the front entrance of Dueber-Hampden Watchworks on West Tusc.

NOTES FROM MEMBERS

"Thought you might like to hear a success story. One of the members of the Class of 1941, whom we were unable to locate, recently read in your quarterly mailing that the Class of '41 was having it's 55th reunion in September. He wrote to the address listed for our Class and he is now on the mailing list and planning to attend. It's John Schick who lives in Simi Valley, California."

"I truly enjoy reading the Alumni bulletin. Good information on the classes and the happenings. Wish I was closer to attend. My husband and myself went to Sarasota two years ago. It was nice and so many grads. Funtime for everyone visiting with "old" classmates. Ha, Ha. Success in the Alumni happenings."

"I was one of the LHS grads who returned to Lehman to teach. I taught all the Choral Music from 1955 - 1960. About 2 years after Ruth Cogan retired, Jane Lee taught the High School Choral Music. There was a succession of Jane, Vivian Newacheck, and Betty Stewart (that I remember). I followed Betty Stewart in the '54-'55 year as I started at Lehman the beginning of the 2nd semester in January '55. I may not have the succession correct, but I do know I took over from Betty Stewart in '55. I was not married then, so all my teaching was under my maiden name: Dretke."

HOW ABOUT IT CLASS OF '42 ??
WHAT HAVE YOU BEEN UP TO ??

"My latest news: it took 11 years but I finally graduated from Stark Technical College on May 19th with a degree in Business Management. It was such a stupendous occasion that immediately after graduation, they changed the name of the college."

Sincerely,
Susan Fockler Yerger

"The Class of 1941 has a unique distinction from other LHS classes. The Class of 1941 was the first class to go through Lehman High all four years as a full fledged high school. We entered as freshman in the fall of 1937. Whereas the class of 1938 was the first 12th grade class, they entered Lehman as a Junior High School. Prior to that, 10th graders from the Lehman area went to McKinley. How sad !"

Sincerely,
John T. Schick

"I have often regretted that I could not participate more fully in the activities of the Association, but our family has since 1959 lived in Southern California, Dallas, Pittsburgh, Philadelphia, Dublin, Ireland and finally the Annapolis, MD area. "I know that I thanked you all personally the night of the awards ceremony, but I wanted to thank you all again!!

I've gained so much by your friendship, all the fun at the parades, All City Night, meetings, and now this award.

I was only at Lehman for one year, but you have welcomed me into your hearts, sharing such special memories, that I feel I was there much longer.

I wish that more of my classmates would take the time and initiative to partake of the wonderful times offered in belonging to the Lehman Alumni Association.

Our future lies in the seeds sown today. My family joins with me in thanking all of you whose work and efforts have helped our future to blossom forth in hope. May God reward each and every one of you!"

"GREAT WEEKEND FOR 40TH"

What great weather befell the weekend activities for the Class of 1956 Reunion on August 2-4. Many renewed old friendships at an "Ice Breaker" Friday evening at the Hilton Hotel where some of the out-of-town members were staying.

Although a last-minute crimp took in room arrangements for the Saturday night dinner at Lolli's Restaurant, good food and efficient service made up for it. In fact the only complaint most of us had was that the print on the name tags seems to be getting smaller. Before dinner, members mused over a display of old snapshots and other memorabilia, and Troup & Pluto Studios took a group photo. By the end of the evening the photos had been processed and returned for viewing and purchase. Some extra photos are available if you were not able to attend and would like to obtain one.

An all-day Sunday picnic capped the events at Meyer's Lake, where classmate Rick Grossman had arranged a private party house for our use, complete with boat docks. Rick and Ron Piero, both residents of the Lake gave relaxing tours of the lake throughout the day. The weekend went by with no one in a particular hurry and plenty of time to visit with the other classmates.

CANTON INDIANS BASEBALL GAME

Seventy-four alumni and friends went to see the Indians play the Harrisburg Senators at Munson Stadium on June 27th.

The evening was fun, with pre-game food and those who arrived early received their choice of an umbrella or beach towel as a souvenir. Since this is the last year for the Indians to be in Canton, perhaps an alternative game can be found for the summer outing next year. Jay Jones was chairman for the evening. He is active in the Canton Indians Booster Club, helping new players coming to the city find apartments, etc. in their quest of a dream to play in the majors with Canton as a stepping stone.

Ward Scott sang the National Anthem, and John Haupt pitched the "First Ball".

On April 13, thirty of us boarded the "Song of America" for a wonderful Southern Caribbean cruise. The first full day was spent at sea and that evening we were hosted by the Captain (Per Moen) at a cocktail party.

In the ensuing days, stops were made at St. Croix, St. Kitts, St. Maarten, Guadeloupe, St. Johns, St. Thomas and San Juan. We were briefed at each port on the best places to see, shop, and enjoy if we were taking the shore excursion.

The islands were beautiful and so was our ship. Food on board was fabulous as were the waiters and all the people involved in making our trip memorable. The stage shows each evening were great and professionally done. Cabin stewards took care of our every need, changing our towels twice a day, turning down our beds, and placing the next-day itinerary on our pillows along with a piece of candy.

NEVER have I felt so pampered. If you preferred to stay aboard ship in port there was plenty to do....gift shops, exercise classes, casino, swimming pools, bridge games, bingo, lounging in deck chairs or numerous other activities.

The days were just not long enough to do the things I would have liked to do. Midnight buffets were fabulous as well, but I never had room to take advantage of all the delicious food.

We had a Lehman Cocktail Party exclusively for us which was very enjoyable, and we participated in the Mardi Gras Parade at midnight one night, clad in pirate garb (hats, scarves, etc.) provided by Ward Scott.

From the time we boarded until the 20th, when we disembarked at San Juan we were treated like royalty.

I can't wait to go on another cruise and I heartily recommend it to everyone.

Many Alumni have been wondering what had become of Sam Bell, one of the former band directors at Lehman. The following letter has been received in response to that question.

Dear Joanne,

Yes, I am the Sam Bell, the former band director of Lehman High School.

A brief look at where - what - when.

After Lehman I went to Glenwood HS for a few years. That was the end of the band directing career.

Administration became my prime interest.

1. Taft Junior High for two years.
2. Sandy Valley Schools as High School Principal for two years and local Superintendent for two years.
3. Massillon High School for three years as Principal.
4. Leetonia School District as Superintendent for two years.
5. Northridge Local District as Superintendent.
6. Early retirement in 1975.

Since then we have traveled the United States in our Airstream RV trailer.

We settled down in Myrtle Beach, SC in 1985 and love it. We are still traveling, Maine in the summer and Florida in the winter. As we "mature" (sounds better than get older) our stays at home get longer and longer.

Dorothy and I were married while we were both teaching at Lehman. We're still hitched and enjoy life together.

Wendy, our daughter, was born while we were at Lehman. She has a good job in Pittsburgh.

We join together to wish the Lehman High School Alumni Association a successful future.

Samuel L. Bell

P.S. For the curious, I'm 78.

EX - CANTONIAN WINS INTERNATIONAL HONOR

In the world of Girl Scouts, Arlene Bartlow has made a world of difference. The former Canton woman is the recipient of the Juliette Low World Friendship Medal from the National Board of the Girl Scouts of the USA.

The prestigious award, named for the woman who founded the Girl Scouts in 1912, recognizes Miss Bartlow's work as director of USA Girl Scouts Overseas.

Miss Bartlow developed Girl Scouting in the former UN Trust Territory of the Pacific, now the countries of Palau, Micronesia, the Marshall Islands and the US Commonwealth of the Northern Marianas.

A Lehman High School and Case Western Reserve University graduate, Miss Bartlow is the daughter of Oscar Bartlow of Canton, and the late Adda Bartlow, and the sister of BJ Wilkins of North Canton.

"Arlene established many contacts between USA Girl Scouts Overseas and Girl Scouts in their host country, and organized Girl Scout troops in the refugee camps in the Philippines where Vietnamese children, mostly children of US servicemen, received six months preparation for placement throughout the United States," Mrs. Wilkins said. "As part of their transition, these Girl Scouts were referred to troops in their new hometowns."

USA Girl Scouts Overseas also serves American families living and working overseas - mainly military, government and corporate families.

The friendship medal was presented in San Diego. Among those at the ceremony were Girl Scout staff members who have worked in Micronesia.

Miss Bartlow worked for five years as a chemist at the Research Development Center of Babcock & Wilcox in Alliance. In 1954, she went to work for Girl Scouts of Central Maryland while pursuing graduate work in the administration of nonprofit organizations.

In 1977, she joined the staff of Girl Scouts of the USA in New York City, where she served as director of USA Girl Scouts Overseas and development executive in Micronesia. Miss Bartlow has traveled to all seven continents and visited more than 45 countries.

After her retirement from Girl Scouts of the USA two years ago, Miss Bartlow has been pursuing volunteer activities at the United Nations as a representative of the World Association of Girl Guides and Girl Scouts, an international organization in consultative status with the UN.

REUNION NEWS FROM 1995

This is a little late, but may still be interesting to Lehman Alum. The Class of 1940 held its 55th reunion August 18th and 19th, 1995. We started with a golf outing on Friday at Tam 'O Shanter, then had a mixer Friday night at Brookside Country Club. There were 36 members and guests getting reacquainted.

Saturday night's dinner was held at Arrowhead Country Club and we had 70 attending, 40 of whom were classmates. Bud Lothamer was MC and John Cunningham did his famous rope tricks. It was Deja Vue all over again as we remembered Lehman assemblies when John performed! Wally Ferrall was our chairman with Bud Lothamer, Herb Fisher, De Moore Thomas, Annette Wilkof Greene, Jack Wynn, Fred Boli, Jim Thompson, Bob Deetz, Bill Brauchler, Jack Mitchell, Fred Lavin, Jean Turnbull Carper, and Joyce Poling Carper helping to put the weekend together. It was a great time for renewing old acquaintances and recalling old times.

IN MEMORIAM

MARCELLA HERBST, office secretary at Lehman for 41 years died May 7, 1996 after a brief illness. She was 89 and remained interested in Lehman's graduates up until her death. She had declined a feature story in this paper last year because of her frailty.
